14th ANNUAL KID'S FISHING DAY AT PARADISE LAKE

The Paradise Irrigation District is again pleased to dedicate a day for the youth of Paradise. Paradise Lake will be available for kids to enjoy a day of fishing and recreational resources. The District is stocking the lake with 1,630 pounds of Rainbow Trout. The majority of fish will be two to three pound fish and others up to 7 pounds.

Funding for this event is supported by donated aluminum beverage cans, donations from local businesses and a grant from the Butte County Fish & Game Commission. Activities will start at 6:00 a.m. on Saturday, April 21, 2012 and conclude at 3:00 p.m. the same day. The areas set aside for this event are located at the Paradise Lake main entrance and North Lake Rd. off Coutolenc Rd. Directions to the lake are as follows: Skyway to Coutolenc Rd., 2.7 miles to Lucretia Rd., parking area at end of Lucretia Rd. or continue on Coutolenc Rd. an additional 1.9 miles to North Lake Rd.

The fishing age is 3-15; an adult must accompany children under 12 years of age. The event is free, and parking fees are waived for the day. A snack bar with reasonably priced food and snack items will also be available. All state fish and game regulations will apply to this event. Greg Dobbs, Lake Patrolman, will be present to help youngsters catch that "trophy trout". Last year's trophy weighed in at 4 lb. 2 oz.! A free raffle will be conducted every hour during the day and you do not want to miss it, with many donated prizes that will be given away. All raffles and prizes will be located at the Paradise Lake Main entrance. You will not want to miss out on a great opportunity to share with a youth, and to enjoy the natural beauty of Paradise. Although not required, it would be appreciated if participants could bring aluminum cans in support of this project for future activities.

Additionally, beginning Monday, April 16, 2012, the District will close Paradise Lake for five days in order to prepare for this event. Any donation of $250.00 or more entitles 2 adults and 2 children under the age of 15, to a Special Pre-Opening Day Fishing Event. For further information contact Greg Dobbs at (530) 873-1040, or pick up a flyer at the Paradise Irrigation District Office, 6332 Clark Road, Paradise.
